

Chemistry Experiment

Words and Music by Mary Amato

VERSE

C

I'm warning you
This could go either way

F

So lay your theories on the table
And test away.

C

Put your lab coat on
For safety's sake

F

Keep your hands and face away
From the blue flame.

CHORUS

G7 F C Cdim7

Cause you don't know what I'm made of.

VERSE

C

Think it through
This experiment

F

Don't assume that you can tell
How it will end.

C

Measure me
Oh so carefully

F

Weigh me out and write my value
Upon that sheet.

REPEAT CHORUS

BRIDGE

G

F

Pour yourself in the vessel now

G

F

Spoon me in, you know how

G

F

Cdim7

Gently heat and see if I dissolve

G7

F

C

Cause we don't know what we're made of.
