We Gather Together

(Original tune by Adrianus Valerius, 1597; English lyrics by Theodore Baker, 1894)

A D A
We gather together to ask the Lord's blessing;
A D E
He chastens and hastens His will to make known.
E A
The wicked oppressing now cease from distressing.
D A D A
Sing praises to His Name; He forgets not His own.

A D A
Beside us to guide us, our God with us joining,
A D E
Ordaining, maintaining His kingdom divine;
E A
So from the beginning the fight we were winning;
D A D A
Thou, Lord, were at our side, all glory be Thine!

Tip: On the “E” chord, you can just play the three strings that are together and skip the other string. When you move from the D to the E, just move the same chord shape up the neck.
